# DEDICATION

To our gentle and kind, friendly and considerate companion; to our sensible and dependable, sincere and unselfish advisor; to our incomparable combination of father, big brother, and object of secret worship; to Harold Ayers; to "Zeke," we humbly dedicate this, the "Intermont" of 1950, a monument to a great man, for just being himself. Mr. Ayers received his B.S. from Georgia State Teachers' College and his M.S. from the University of Tennessee.

# Dr. Rabun Lee Brantley

*President*

A true example of the three important C's—charm, courtesy, and capability—is our beloved President of V. I. He has endeared himself to all his college girls in whom he takes more than just a friendly interest. Always ready to help you with your problems, his quiet, understanding manner exudes confidence. The perfect picture of those high ideals for which we all strive, Dr. Brantley is respected beyond mere words.

We have good reasons for admiring him. The fact that he is President of the Southern Association of Junior Colleges is only one of them. Last year he was also elected President of the Southern Association of Colleges for Women. He has helped more than anyone to make Intermont one of the most outstanding women's colleges in the South.

Dr. Brantley has received his A.B., M.A. and Ph.D. degrees. The first two he obtained at Mercer University, and the last at George Peabody College. At Mary Horden Baylor College, he was professor of English and Journalism. He served as treasurer at Bessie Tift College along with his positions in the English and Journalism Departments. He served as Dean at Georgia System Evening College and was editor of the Southern Automobile Journal for two years.

# Miss Marguerete Pflug

*Dean of Faculty*

Little is heard from Miss Pflug after the hurry and rush of the first few weeks of college, but whenever she does happen to have something to say in house-meeting or chapel, everyone listens with the greatest respect. Her bi-lingual ability makes her a wonderful French and German teacher, as her students well know.

Honor is her pass word and she helps those of us who are inclined to forget that word now and then to regain its true meaning once more.

Widely traveled, Miss Pflug has attended preparatory schools in Austria, Germany, and Switzerland. During various summers, she has done work at the University of Berlin and the University of Geneva. Here in the United States, she received from John B. Stetson University her Ph.B., and from Columbia University her A.M. degree.

# ADMINI

Miss Josephine Fishel

*Dean of Women*

Something new has been added this year in the form of our pretty, youthful dean of women—Miss Fishel. Her great charm and friendly smile warmed our hearts from the very first. We need never fear to go to her with our most intimate problems, knowing that she will do all in her power to help us. This kindly interest is deeply appreciated.

She received her B. A. degree at University of North Carolina, where she also served as an assistant Hostess. Her M. A. was acquired at Louisiana State University, where she had the position of Graduate assistantship in the government department.

* * * * * * * * * *

"Mumsy", as the girls delight in calling her, is greatly loved and respected by all who encounter her pleasing smile and winning personality. To "Mumsy" we must attribute much of the success of the campus social life, for she is genuinely interested in the happiness of each girl, and contributes much to that goal.

She will always remain cherished and unforgettable in the hearts of every student.

Mrs. E. L. Seay

*Assistant Dean of Women*

# STRATION

MR. S. O. SNODGRASS

*Business Manager*

Mr. Snodgrass is the man you see about your financial problems. His businesslike efficiency is well-known around the campus. A finer combination: accountant, bookkeeper, and financial consultant, would be hard to find.

Friendly and genial, his attempts to brighten our evenings with popular movies win our greatest appreciation.

A native Virginian, Mr. Snodgrass has taught in Liberty Hall and Virginia High School, and was Principal of Barrack, Virginia, High School. He received his A. B. degree from Emory and Henry College.

* * * * * * * * * *

A comparative new comer, having been on V. I's campus for only two years, Ruth Compton readily found a place in the hearts of the students and faculty. Native of Hartsville, South Carolina, she received her A. B. at Coker College and M. R. E. at South Western Baptist Theological Seminary. She is active in Y. W. A. and Goodwill Center work. This year she has established a system of religious organizations on campus.

MISS ADAMSON, in addition to being capable and well-informed, is a wonderful person to know and talk to. The English language lacks words fine enough to describe MR. AYERS. MRS. AMIS has not only a pleasingly charming manner but genuine ability as a teacher. It may truthfully be said of MISS BALL that she practices well that which she teaches. She is the possessor of a brilliant mind and quiet humility. With a directness and sense of humor that is invaluable, MISS CLARK is always willing to help. MR. COOKE is a remarkable man who has an opinion on every issue and can back it up with intelligent and refined use of logic and humorous analogy.

MISS GARRETT has achieved an efficiency and unity of purpose that is unequivocally admirable. With spontaneous good humor and wit, and an appealing "happy go lucky" air, MISS HENDERSON has quite naturally filled into every campus circle. MRS. HINE will always be remembered for her radiant personality and talents in art! A true Southern gentleman, MR. JONES has helped many a young actress find a stage career. Just one of the girls—the blonde, peppy MISS KEEZEL is known for her fine sportsmanship and friendliness. With a captivating personality, MISS LOLMAUGH displays excellent teaching ability and stage presence.

The young fashionable Miss Skinner is also patient and thoughtful. Miss Smith has a grand personality in addition to her competency in demonstrating up-to-date and efficient methods of stenography. Rarely does one meet so refreshing and delightful a combination of beauty and intelligence, or a person so perfectly a master of her art, as Miss Spies. Miss Strong's melodious voice, coupled with her vivacity and charm, brings forth the beauty of the Spanish language. Mr. Stull alone is responsible for the success of the Glee Club. He has truly put his heart into his work. He is a gentleman. Dr. Turner has consideration for his students and loyalty toward the class he sponsors.

## FACULTY AND BUSINESS STAFF

The quiet, charming, and gracious Mrs. Willett is an inspiration to all who come in contact with her. The place that Mrs. Ayers has achieved in our hearts is the highest any student body can bestow upon a faculty member. Miss Biggers is always friendly and full of fun. Always willing to help and an efficient secretary is Miss Cooper. Although Mrs. Crockett is always "on the go", she will always take time out to help in any situation. Our hats go off to her! A warm smile, a soft "Hey", and we meet the President's assistant secretary, June Eller.

## HOSTESSES AND BUSINESS STAFF

MRS. CRAFT is always generous and gracious as she goes about her duties. "MOM" HAMMER lives in the lives of each one of her girls, as she has such a deep love of humanity. MRS. HUNTER, with deep love and understanding, has watched over us tenderly. Lovable and understanding are two words to describe "MOM" PAINTER. "MOM" TAYLOR'S outward loveliness is enhanced by her own lovely character. "MAMA T." has a genuine interest for all of "her girls". MRS. FRITSCHE is always eager to be of service in the Bookshop. A person of infinite patience and good spirit is MRS. HARPER. MRS. HIATT does her job well in the beauty shop. MRS. MANSFIELD has helped to make V. I. seem more like home by taking such interest in the building. A newcomer who is always willing to help is MRS. PEARCE. Always on the job with great willingness is MR. ROBERTS. MISS SMITH is a very energetic and helpful person in the Alumnae office. MRS. TAFT is an efficient secretary in the Account's Office. "Hard-working and friendly" describes MRS. TURNER. # SENIOR PEP SONG

Seniors together,
We all are birds of a feather
And we'll march on to glory
For our V. I. C.

Through stormy weather,
Our hearts are sturdy as leather
And when we're down, we won't stay down,
We fight 'til the Seniors lead in victory.

We're gonna fight, we're gonna shout, we're gonna sing,
Seniors, for Green and White.

Oh, let's give a cheer for the class of the year
Oh, it's great to be one of the Seniors.

Here comes the Seniors down the hall,
All hail the Green and White!

Green and White for Senior Class
Leads against the foe!

Oh, through stormy weather,
Our hearts are sturdy as leather
And when we're down, we won't stay down,
We'll fight 'til the Seniors lead in victory.

Forward, ye Juniors, fight for victory,
We will honor, love, and cherish, and we'll
shout our name forever.
On, Juniors, forward, wear the Red and White,
Fight on our way for pride and glory
and proudly sing of V. I. C.

Forward, ye Juniors, hail the Red and White,
Firm and strong united, we will spread
the fame of our fair name.
Hail to the Juniors, champions of V. I.
Shake down the thunder from the heavens,
and set the echo across the sky.

# HIGH SCHOOL PEP SONG

You'll hear our song a'ringing through the air,
Then you'll know the High School girls are there.
We'll clap our hands and sing aloud with glee
To the glory of old V. I. C.
Rah! Rah! Rah!

School day joys at dear old V. I. C.
Full of pep and fun and fancy free.
We proudly wave our flag of blue and white
And yell out with vigor and might.
Rah! Rah! Rah!

Intermont, we'll love you through the years.
You taught us faith and drove away our fears.
So we'll sing your praise and keep our golden rule.
We're proud of our V. I. High School.
Yea!

# What is Intermont to Me?

What is Intermont to me?
A stately tower amid the trees,
A special place called V. I. C.
What is Intermont to me?

The halls we live in
With rafters reaching high;
The chapel bells, the organ,
And the ringing chimes so sweet;
The loving friends we've made here;
The faces that we see;
All races and religions—
That's Intermont to me.

The faith we've pledged here;
Our loyalty and pride;
The memories we cherish
As the years go passing by;
The helpful understanding;
The air of feeling free;
And the right to speak my mind out—
That's Intermont to me.

We love the setting
Against Virginia hills,
The snow scenes in the winter,
And the dogwood trees in bloom;
The church, the school, the club house,
Are all of V. I. C.
But especially these memories—
That's Intermont to me.

# LIBERAL ARTS DEPARTMENT

Intermont's Liberal Arts Department is generally limited to those girls who plan to transfer to a four-year university or specialized school. The course includes general preparatory subjects for all types of majors. The popularity of this department has been growing extensively during the past few years as more and more of Intermont's girls transfer to colleges all over the United States.

The Science Department headed by Dr. S. J. Marion, professor of Chemistry, includes courses in the Social Sciences of Psychology and Sociology, as well as Biology, Bacteriology, Physiology, Chemistry and Physics.

C. Ernest Cooke, professor of Senior English, heads the English Department

*Looking through the microscope in Miss Ferguson's Biology Lab.*

*Miss Pflug's French class.*

*Virginia and Helen working out a problem in Miss Clark's mathematics class.*

Both Junior and Senior English courses are required of all students, except Senior Music Majors.

Extensive courses in German, French, and Spanish are offered in the Liberal Arts Course. Miss Marguerite Pflug, Academic Dean, heads this Department.

Miss Marian Clark takes complete charge of the Math Department, ably conducting classes in Algebra, Analytic Geometry, Trigonometry, Physics, and Calculus.

# GENERAL CULTURE DEPARTMENT

Many students do not wish a four-year course and do not desire to enter a profession, but would like two years of general cultural college training as a preparation for a richer home life and a more efficient community service. Such students who do not contemplate transferring to senior colleges or universities may enter the General Culture Department.

English is required. It is taught by Miss Meade, Mrs. Milne, and Mr. Cooke. Mr. W. Harrison Daniel teaches courses in American, World and Current History. An extensive course in Art History is conducted by Mr. C. Ernest Cooke.

*Ann Rudderow reads her report to the Sociology class.*

*Mrs. Milne gives a test.*

*Dr. Turner conducting his Bible class.*

Fascinating courses in Bible are offered under the guidance of Dr. James L. Turner. These include a thorough study of the Bible, period by period, and a course on the Comparative Religions of the world.

Electives such as Art, Music, or Journalism may be chosen from any courses offered by the college in order to complete the required semester hours.

# HOME ECONOMICS DEPARTMENT

Under the supervision of Miss Dora Miller, head of the department of Home Economics, and Mrs. Mary V. Currin, a wide variety of interesting subjects are included in this department. Extensive work in canning, marketing, meal planning and preparation, cost of meals, etiquette, child care, selection of furniture, selection of clothing, designing, hand and machine sewing, fitting, and fabrics is incorporated into classes under the general headings: Nutrition and Foods; Textiles and Clothing; and Home Management. To add interest to and aid in practical application of information gained in these classes, visits are made during the year to a furniture factory, meat market, bakery, and a hardware store. Luncheons, teas, and a fashion show are given to illustrate to the faculty and students exactly what is learned in home economics as well as to encourage better work and recognize achievement. Home economics prepares one for numerous careers such as 4-H Club work, home demonstration, department store buying, commercial demonstration, dietetics, and practical homemaking.

# SECRETARIAL SCIENCE DEPARTMENT

The Secretarial Science Department of Virginia Intermont College prepares the student for the business world not only by teaching the usual shorthand and typing courses, but also by including the academic subjects necessary for the business woman.

Mr. Harold E. Ayers, head of this department, teaches the junior students Economics and Accounting. Each course provides a girl with the needed background. The senior students, under Mr. Ayers' guidance, learn the principles of business law.

*Mr. Ayers' typing class*

*Working hard, girls, on those accounting problems?*

*Taking notes in Economics.*

Shorthand and typing are taught by Miss Mary Lou Smith and Miss Ellen Skinner, respectively. Both subjects run hand in hand, as the student strives for greater accuracy and speed.

In both the junior and senior years, a course in English is required.

Upon graduation the secretarial majors are ready to secure positions in the business office, as clerks, typists, stenographers, and secretaries.

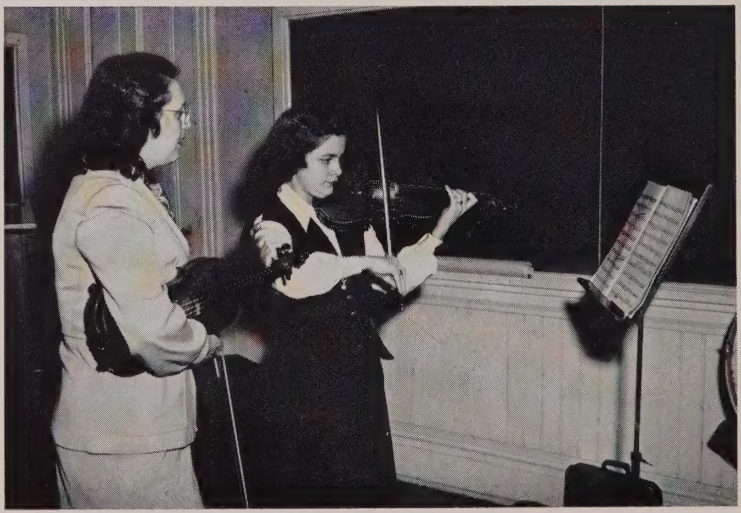
# MUSIC DEPARTMENT

Offered as a part of the department of music at Intermont are courses in Music Theory I and Theory II; Introduction to Music (for majors); Music Appreciation (for non-majors); History of Music; Piano Ensemble; and Orchestra. In addition, private lessons in voice, piano, organ, and violin are given. The staff includes: Mr. Ralph Osthoff, head of the department of music; Mr. Robert Stull, head of the voice department; Mrs. Robert Stull; Miss Clara Jean Lolmaugh; and Miss Frances Eller.

*Miss Eller's Music Appreciation class.*

*Taking a violin lesson.*



Girls at Intermont have numerous opportunities to attend recitals given by the faculty or students of the music department. Student recitals take place every month in addition to graduation recitals given by every senior major and often assisted by junior majors. Every other Monday afternoon a seminar is held for piano majors by Mr. Osthoff at which these students perform and then criticize constructively their own and others' work.

# MUSIC DEPARTMENT

Under the auspices of the department of music Mr. Stull directs the Glee Club, and Mrs. Stull, the Orchestra. Besides the other advantages mentioned, piano students have the opportunity to accompany for the glee club, the orchestra, dance classes, or private lessons as well as for chapel and vesper programs.

After graduation from Intermont a music major has many vistas open before her. If she wishes to continue her studies, she may enter any school of music. Other oportunities are application for teacher's certificate, work as professional accompanist, or a job in radio. A music major is also qualified for a position as church organist or choir director.

Each year the department of music offers scholarships to high school graduates who are outstanding in music.

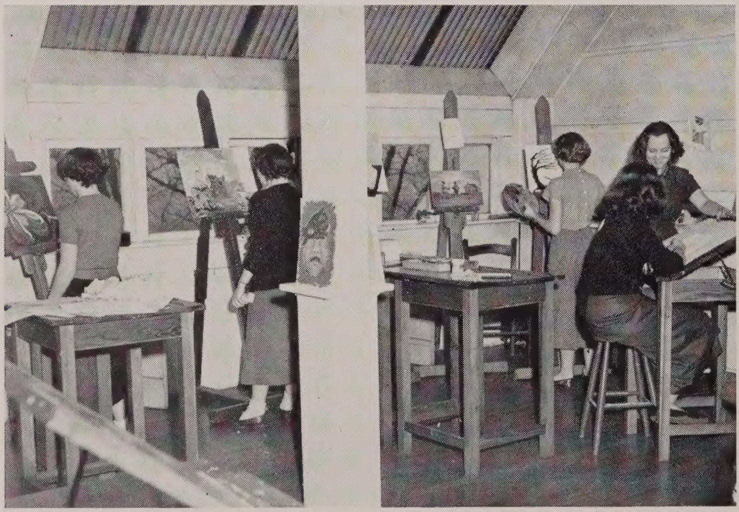
# ART DEPARTMENT

Under Miss Ruby Ball, head of the Art Department, and Mrs. Mary Anne Hines, teacher of Art, a foundation is provided for entering every field of commercial art, advertising, fashion designing and interior decoration. A graduate art major from V. I. may enter any school of art in the country. She will have been instructed in Drawing and Painting, Art Structure, Introduction to Art, and Art Appreciation during her first year at Intermont. In her second year she is further trained in Drawing and Painting.

*Mr. Cooke explains an El Greco painting to his Art History class.*

*Art class working at abstractions.*

*Mrs. Hine's drawing and painting class.*



# ART DEPARTMENT

She may specialize in some phase of Applied Art. Under Mr. C. Ernest Cooke she will take a course in History of Art. For Home Economics Majors, a course in Home Ec. Art is offered. During this school year the art majors traveled in the Smokies. In addition to an art exhibit of works by the students and faculty, the regional art exhibit, sometimes judged by Sheldon Cheney, is held at Intermont. Every Sunday night an Art Interest group is held by Mr. Cooke. The Art Department is the scene of opportunities galore for those interested in art.

# PHYSICAL EDUCATION DEPARTMENT

No student should plan to enter Physical Education as a major unless she is physically able to participate in all sports. Her first two years are similar to a pre-nursing course, plus Physical Education Theory, consisting of the rules and regulations of sports. This theory is a one hour lecture course with four hours of practice teaching in gym classes. Miss Gale Keezel is head of the Physical Education Department. and Mrs. Elsie Edwards, teacher of equitation, make up the rest of the staff.

A Major in Physical Education prepares one to teach in any High School or college having a Physical Education department. One is also qualified to teach Health, Hygiene, and First Aid. Many summer jobs are obtainable also. Summer camps are always pleased to have physical education majors working for them. These jobs are enjoyable to anyone liking camp life.

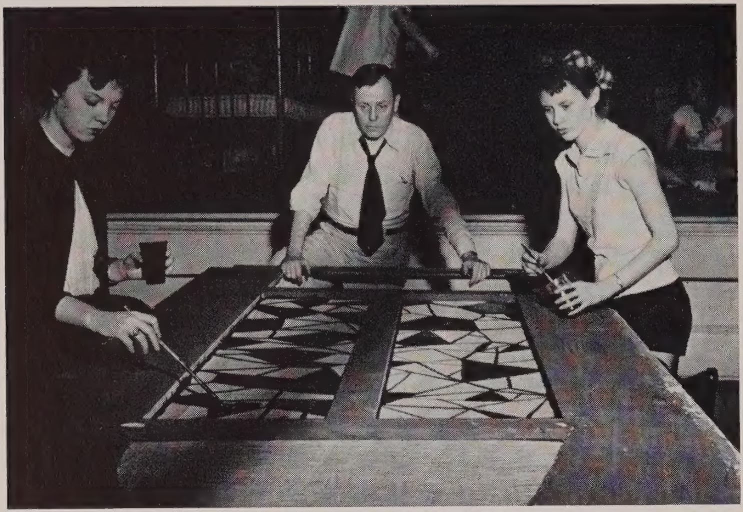
# DRAMA DEPARTMENT



*Mr. Jones assisting with a stage prop.*

Working in the Drama Department of Virginia Intermont for the 1949-50 session were 4 senior majors, 7 junior majors, and 34 elective students. The two-year major program consists of 42 semester hours in Acting, Speech, History of the Theatre, Stagecraft, Radio, Directing, and Play Production. Under Mr. Jones, head of the department, 3 full-length productions and 8 one-act plays were given this year. The three-act plays were "Royal Occasion", "Cry Havoc", and "Career Angel". The one-act plays were "Ah! Romance", "As It Was in the Beginning", "From Five to Five-Thirty", "Did You Say Mink?", "The Chimney Corner", "Woman's Ward", and "The Dabblers". In addition, a recital was given in the spring by the senior majors. Each student had several opportunities to appear on radio programs over Bristol station WOPI.

(The Little Theatre and adjoining rooms, used exclusively by the department, house all the dramatic activity of the college.)

# DRAMA DEPARTMENT

During the school year drama students are always in demand to serve as monologists, and during the summer months, these students are found working in radio or summer stock companies scattered all over the United States. Students of the drama department attend all outstanding productions in the vicinity including plays given by the Barter Theatre company in nearby Abingdon. All students taking drama or speech belong to the Curry Club. Virginia Intermont has a chapter of Delta Psi Omega (national honorary society for dramatics in Junior Colleges).

# CAULDRON

The "Cauldron" has as its underlying purpose the presentation of a moving picture of college life through the medium of interesting news articles, features, and editorials. Thus it becomes a great dynamo which generates class and school spirit. By publishing news concerning all activities and divisions on the campus, the "Cauldron" serves as a correlating hub from which accurate and authentic information radiates to the campus and to the public. No instrument is more potent than a campus newspaper in making impressions of an institution on the outside world. A scale drawing does not exhibit a more distinct view of the physical equipment of a school than does its news exhibit a picture of the genius and morals of its students. However, few students realize the vast amount of work and cooperation required in meeting a deadline. Through the efforts of a capable staff, Intermont has been able to produce a school paper of excellent quality and commendable workmanship.

# HONOR COUNCIL

*Standing*: Miss Pflug, Mr. Cooke, Mrs. Milne, Miss Fishel, Miss M. Clark. Seated: D. Currin, J. Trainham, S. Duby, D. Cantrell, B. Echols.

The Honor System at Virginia Intermont was established to instill in every girl the high ideal of honor in everything she and her fellow students undertake. The purpose of the Honor Council is to educate the students to live honestly with themselves and others, to encourage each student to be responsible at all times for her own conduct; and to rule on all cases which are a violation of the Honor System.

* * * * * * * *

In order to have a workable student government, every girl at Intermont must be a conscientious member of the Student Government Association. The Student Council has four major purposes; to represent the best interests of the student body; to secure cooperation among the different organizations at Intermont; to promote responsibility, self-reliance, and loyalty on the part of the students, and to facilitate the work of the student body.

This year the Student Government sponsored a pajama party, "So This is Intermont" program, and a formal dance.

"I am come that they might have life and that they might have it more abundantly."

The ultimate purpose of all Y. W. C. A. work is to develop the "abundant life". Through Y. W. C. A. girls are trained to social awareness in a well-rounded program. One phase of this program is carried out in Bristol, at the Janie Hammitt Home, where Y. W. C. A. members regularly supervise the recreation of the children there. Each year proceeds from the Harvest Carnival are contributed to the Home, and every girl at Intermont plays "Santa Claus" at the Y. W. C. A. Christmas party. A second phase of the program is carried out through the World Student Service Fund which gives funds and clothing to students and teachers all over the world. The third phase is carried out on campus. The Y. W. C. A. is always "on the job." The club is ably sponsored by Miss Ada Strong and Miss Margaret Ferguson.

* * * * * * * *

The Y-Teen Club is the high school division of the Y. W. C. A. Each girl in the preparatory department is a member of this organization. Every year a representative from the V. I. campus goes to the sectional Y-Teen Convention held in this locality.

During the year the girls participate actively and enthusiastically in the various Y. W. C. A. activities. The Y-Teen Club is ably sponsored by Mrs. Milne.

# Y. W. A.

"And they that are wise shall shine as the brightness of the firmament; and they that turn to righteousness as the stars forever and ever." Daniel 12:3.

One of the most active of V. I.'s campus organizations is Y. W. A., the Young Woman's Auxiliary to the Missionary organization of each student's denomination. From each denominational group a mission study chairman is selected to serve on the Y. W. A. Council. During the year, the home and foreign mission work of each of these denominations is presented at the regular meetings. Once every two years the Y. W. A. sponsors a Mission Focus Week, which, incidentally, originated here on our V. I. Campus. At this time missionaries of the different denominations are invited to come to the college and speak to the students, and to have conferences with those particularly interested in mission work.

In September of each new year, the impressive Y. W. A. Monogram Membership Service initiates all the students into this fellowship. Each Fall, the Y. W. A. sponsors an outdoor picnic for all the Faculty and students in the college.

Just before the Christmas Holidays the Y. W. A. holds its traditional Carol Sing around the lighted tree on the front campus. During the year this organization is active in charitable work throughout the city of Bristol. Each Easter this group sponsors an Easter Egg Hunt for underprivileged children. Y. W. A. members also visit and entertain the ladies at the Katie Lockett Home.

# RELIGIOUS PLANNING BOARD

REPRESENTATIVES

B. S. U., Molly Fitzsimmons; Canterbury Club, Gene Sturges; Westminster Foundation, Betsy Pardue, Wesley Foundation, Ann Reed; Newman Club, Maureen Walsh; Y. W. A., Betty Echols; Y. W. C. A., Benny Ausmus; Sponsor, Ruth Compton.

Standing: B. Ausmus, B. Echols, A. Reed, M. Walsh, M. Fitzsimmons, M. Snakenburg. Seated: G. Sturges, Miss Compton, B. Pardue.

The Religious Planning Board is a campus organization which acts as an advisory and planning board for the denominational and religious groups. The members consist off a representative, preferably the president from each religious organization. The director of religious activities at V. I. acts as sponsor. During the meetings, reports and plans from each group are submitted.

The organizations represented are the Baptist Student Union, the Canterbury Club, the Westminster Fellowship, the Wesley Foundation, the Newman Club, the Young Women's Auxiliary, the Young Women's Christian Association, and the Y-Teens.

* * * * * * *

The Baptist Student Union is the connecting link between the school and the church. It began in Texas in 1921 and was organized on the Intermont campus in 1933. The B. S. U. seeks to promote spiritual development of its members through church membership, denominational loyalty, and cooperation with religious activities on the campus as well as at the local church.

The B. S. U. sponsors Vocational Guidance Week and helps to sponsor Religious Emphasis Week, "Join-The-Church-Day", and the Preaching Mission.

The Canterbury Club, the Episcopal organization on the campus, had its beginning in 1918 at New York State Teachers College. The club was organized at V. I. this year, and membership includes all the Episcopal girls on the campus.

The purpose of the Canterbury Club is to create a closer bond between the local church and the students at the college. The girls carry out this purpose by attending church and taking part in all the activities in which they are asked to participate. On the campus the Canterbury Club supports all the religious activities sponsored by the college and holds regular meetings twice a month.

* * * * * * *

The Newman Club, which is for the Catholic girls, is one of V. I.'s recently organized denominational organizations, having had its start this year. The Newman Club is organized in over five hundred colleges in the United States, each under the guidance of a person appointed by the Bishop. The Club's purpose is "to deepen the spiritual and enrich the temporal lives of its members through a balanced program of religious, intellectual, and social activities." The Newman Club members help with the Brownie troops sponsored by the church.

The Methodist girls on the campus are organized into the group nationally known as the Wesley Foundation. Plans for organization began in the spring of 1949, and these plans have been actively carried out this year. The Wesley Foundation seeks to link the school with the church by urging members to take part in the activities of the local church.

The executive council and some of the members have this year attended state and regional conferences.

The Westminster Club was organized on the Intermont campus in the spring of 1949. The members include all the Presbyterian girls enrolled in the college. The club serves as a connecting link between the local church and the home church. The club actively participates in the Westminster Fellowship at the local Presbyterian Church.

The girls at Intermont who are especially interested in developing the fine art of argumentative public speaking find the Debate Club a fine outlet. However, before a debate may be entered, a background including an extremely wide range of information is necessary. Much time must also be spent in practice, but reward is found in the personal satisfaction of knowing one has developed one's powers of logical reasoning to their highest extent. The Debate Club sponsor is Dr. James L. Turner.

This year the International Relations Club has been most active on campus by providing interesting Chapel programs on current events, both at home and abroad. The Club is under the sponsorship of Miss Josephine Fishel, Dean of Women. The purpose of the Club is to encourage individual thoughts and opinion on national and international affairs. When this Chapter, which is a member of the Carnegie Endowment for International Peace, meets they have either a speaker or a round-table discussion on a current problem. Several members attended the South Atlantic International Relations Clubs' Conference, which met at Tusculum College, Greeneville, Tennessee.

These girls contribute to one of the largest campus activities, "Eating," by supplying quick service, plenty of smiles, and good hot food. The members enjoyed greatly the Christmas Party given by Mrs. Walker as well as their St. Patrick's Day Banquet at which "Miss Pinafore," Martha Eller, was chosen.

These are the girls who coordinate the activities and thoughts centered around "home." It is they who lead the clubs composed of girls from Maine to Florida, from California to Maryland, who promote the spirit that brings forth anything from "Rah Rah Carolina-lina" to "Pennsyl-pennsyl-pennsyl-vania." The organizations led by these State Club Presidents not only cut down "homesickness," but also lead to truer and more loyal "V. I.-ism." During the year each club presents a 15 minute radio program over WOPI telling interesting facts about the home state. The clubs also plan socials and outings.

The entire athletic program is run on a point basis. At the Annual A. A. Banquet a plaque is awarded to the class possessing the highest total in points. At this time, also, individual awards are given out.

The Day Students' Club, known since 1948 as the Areannes, is the envy of the campus because of the many activities in which its members engage. The Areannes started off with a bang at a gala outing with food and singing and genuine good fellowship. A second high point in the activities of the Areannes was a dance given for the boarding students. This dance, which was planned to perfection, stands out as one of the best dances given at Intermont. The Areannes is a closely-knit organization because, in reality, the club meets every day. In bridge games, gab-fests, in hurried studying between classes—the day students are one. Besides outings and general good times, the day students perform many useful services through the organization of Areannes under the guidance of Mrs. Hammer, their sponsor.

This year the club undertook a joint concert with the Male Chorus of Haverford College, Pennsylvania, and another with Emory-Henry College of Virginia. Other concerts were given in Abingdon, Virginia; Roanoke, Virginia; and Blountville, Tennessee.

The purpose of the Orchestra is to afford an opportunity for those students who play musical instruments to produce the best music of which they are capable. The instrumentation varies from year to year. The orchestra has access to an extensive library of orchestral music. # NOSTRAE FILIAE CLUB

The Nostrae Filiae Club was organized March 2, 1947, by the daughters and granddaughters of the alumnae of Intermont. The club was originally named "The Grandaughters' Club", a name which was later changed to "Nostrae Filiae", from the Latin phrase meaning "our daughters." There were nineteen members in the first club.

In its short history Nostrae Filiae has sponsored many interesting activities and outings, the most memorable being the play, "V. I. Views by Video," presented in April, 1948, in the college auditorium. The girls acted the parts of their mothers and grandmothers in a script written by an alumna, Elsie E. Grubb, which recalled the good old days at Intermont.

Among other activities, Nostrae Filiae Club members invite sisters and nieces of former Intermonters on a picnic.

One outstanding member of Nostrae Filiae is Beverly Howell. It is interesting to note that Beverly's Father attended Intermont and that her Grandfather served as President of Virginia Intermont. Daughters and granddaughters who are present members of the club represent alumnae from the year 1898 to 1929.

The foremost aim of Nostrae Filiae is to serve as a connecting link between the alumnae and present students. As the name indicates, one may gain admittance to the club only by right of birth as a daughter or granddaughter of an alumna. Mrs. Walter Crockett, alumnae secretary at Intermont, sponsors the club.

# LIFE AT COLLEGE

Sept. 13

Dear Diary,

Here I am, a great big Senior ready to start my last year at V. I.

It sure was wonderful to be here and greet all the new kids. All of us felt real proud of our school as we showed them around the campus. The new kids make me remember how I was last year—scared but excited and eager. Must sign off now and get to bed. Today was a busy day, scurrying around with suitcases and boxes and getting rooms straightened.

Sept. 15

Everyone's here now and no one's changed a bit. We've talked ourselves blue in the face about our summer's activities. Just love everybody's new hair cuts.

Sept. 16

Our first chapel! And classes begin today. English is gonna be a killer. Lights out now, dear diary, so I'll hit the sack.

Sept. 17

Just got back from the Y. W. C. A. Little Pal Party. Golly, the new girls are sure talented! After the program we ate ice cream and danced to records.

Sept. 18

Today everyone attended church at the First Baptist. This afternoon the old girls took their little sisters to Dr. Brantley's for Open House. A swell time was had by all.

Sept. 28

I'm mighty tired tonight, diary, but just had to tell you about the Kiwanis outing. Men, cars, and food. Even in the rain V. I. Ranch Camp looked as if it was in full swing—girls everywhere. We sang, had our fortunes told, and played games. Those lucky girls who won prizes! The Kiwanians sure are swell guys. Can't keep my eyes open. Goodnight, diary.

Sept. 30

Oh, I felt so mean today. It was Rat Day and we really made those Juniors jump, but they were swell sports even if they had to do some crazy tricks. Oh, diary, wish you could have seen their green faces and powdered hair! My room is clean for the first time this year.

Oct. 1

A great big thanks to Mumsie for a swell informal. All the girls turned out for our first dance—dressed in their best. And, oh yes, boys helped out considerably. Here's wishing the rest of the dances are that much fun.

Oct. 7

The V. I. girls have a right to be proud of themselves—the Bristol Jaycees had a Gay Nineties Show and asked us to send two representatives for queen. Pat Bozarth's tall good looks represented the Seniors and cute Sue Woodford was the Junior's candidate. Julie Winston, day student, was elected queen, and she was a beautiful choice. Some V. I. girls, Butch, Faye, and Bobby, also put on a darling Can-Can act for the performance.

Oct. 11

Today the Southwestern Virginia Alumnae Chapter entertained some of the V. I. girls at the Southwest Virginia Museum in Big Stone Gap. We journeyed there on bus and spent the afternoon looking at the interesting collection of relics. The alumnae chapter served refreshments.

Oct. 11

Charm Week starts today. I must start watching myself 'cause I didn't know there was so much to being charming. The Student Council has some fine speakers lined up for the next few days.

Oct. 14

Charm Week ended today. Benny Ausmus is Miss Charming. We really picked a charmer, too. It was truly a wonderful week.

Oct. 13

The Y. W. A. provided the best eats and fun today at their annual campus picnic! Even having it in the gym on account of the rain didn't cramp our style.

Oct. 15

Another Y. W. A. function tonight—the Kid Party. The cutest people weren't the students, but the faculty. Jump rope, hop scotch, and all kinds of games were played. The boarding students had guests tonight in the form of the Day Students. Wish they could come more often.

Oct. 29

The Annual Harvest Carnival, another big event of the year, took place tonight. Concessions, a spook house, dancing, and a King and Queen. Peggy Hall, of the High School was the lucky girl, and Jackie Weaver was her king. We'll chalk up another night of fun and another worthy cause helped by the V. I. girls as some of the money went to the Janie Hammitt Home for the needy children.

Nov. 6

Y. W. A. Mission Focus Week began today. There are more fine speakers and movies concerning mission week to be presented.

Nov. 12

Three cheers for the Day Students! They really showed us boarding students how to give a dance. The gym looked perfect. We'll always remember tonight as one of the best times of the year.

Nov. 19

Well, diary, the big event took place tonight in the gym. Weeks and months of rehearsal showed their results as the three classes, the High School, the Juniors, and the Seniors sang their praises to V. I. in the annual Song Contest. Right now we feel a little bad 'cause the Seniors didn't win. Still, though, we can rejoice with the victorious Juniors. It was a hard decision 'cause all of us sounded grand. It's a night when all of us can take a bow and especially the Juniors.

Nov. 24

Thanksgiving Day. A lot of us went home but those of us who stayed at V. I. enjoyed the luscious formal dinner tonight and the speaker afterwards.

V. I. sent three candidates to the Smoky Mountain Bowl held in Bristol today—Sylvia Hollingsworth, Wink Whitescarver and Benny Ausmus. They looked beautiful parading around at the game.

Dec. 2

The Drama Dept. gave a fine performance of the play, "Royal Occasion", tonight. Cocoa Jacobs and Jimmy Beatty had the leads. The whole cast was grand.

Dec. 10

Tonight, diary, we spent a night in fairyland. The Christmas formal caught all of us in a magic spell. Roy Stoenner and his orchestra furnished the dreamy music and the beautiful Christmas trees furnished a fitting background for the girls and fellows in their evening attire.

Dec. 11

There's a good feeling in our hearts tonight 'cause V. I. has made a hundred or so underprivileged children happy by entertaining them at the annual Christmas party sponsored by the Y. W. C. A. for the children of the Janie Hammitt Home. You should have seen the kids' faces light up when they saw the wonderful gifts and Santa Claus, who gave them out. We all have the right kind of Christmas spirit after today.

Dec. 14

The Seniors caroled tonight and gaiety prevailed everywhere with the thoughts of home, parties, and Christmas.

Dec. 16

Two wonderful weeks of vacation start today. Merry Christmas to everyone!

Jan. 2

Back again at dear ole V. I. We stayed up till all hours discussing what we did Christmas vacation. Must go to bed, diary, 'cause classes begin tomorrow.

Jan. 10-12

Three wonderful days! Yes, that's what Religious Emphasis Week is. It is sponsored by the Religious Planning Board. Our speaker and councilor is Mr. Jack Noffsinger.

Jan. 22-28

Exams! Oh, diary, we're too-oo tired but those exam week teas given by the "Y" sure have helped. The faculty parties are swell, too.

Feb. 6

Another exciting week begins today. It's Peanut Week. We drew names today and now the fun begins.

Feb. 9

The formal banquet ending Peanut Week took place tonight. Gifts were exchanged and there were some mighty surprised people when they discovered the identity of their peanuts.

Feb. 11

Are the Seniors happy tonight! We beat the Juniors in the basketball game, and no Junior found the effigy in its well-hidden place. Can't say the Juniors didn't try. They entered dark tunnels, coal bins and every inch of the campus to find the precious doll.

March 2

The Drama Department gave an excellent performance of "Cry Havoc." Cocoa and Sybil had the leads, but the whole cast shone, and "Cry Havoc" will go down as one of V. I.'s best productions.

March 11

It sure was good to see all the old girls around this week-end for the reunion of the class of '49. The biggest event of the week-end was the Publications Formal. After weeks of hard work we were proud of our annual and Cauldron staffs. There's never been a better dance.

March 17

St. Patrick's Day, which means the wearing o' the green. The dining room girls gave us a grand formal banquet. Martha Eller is now Miss Pinafore of 1950.

April 17

The Seniors owe a "thank-you" to the Juniors tonight for the Junior-Senior Banquet. It was swell. Good entertainment and eats. It's things like tonight that makes us hate to leave V. I.

There was another banquet tonight, too. The Junior Class in High School entertained the Seniors in High School. After selling chicken sandwiches and candy to make money, the Juniors showed their stuff and the Seniors enjoyed it muchly.

April 21

The Seniors have done it again! Yes, we "mighty" Seniors gave a fine performance tonight at the Senior Show. Bouquets to Sleepy, Libby, Ann and all the rest who had a part in the grand musical.

May 6

V. I. entertained the surrounding high schools today at Play Day, sponsored by the Physical Education fraternity, Phi Eta Tau. The day ended with the annual swimming meet.

May 11

Congratulations to all those smart people who received awards today for their hard work. The merits given were the Margaret Noffsinger Scholarship, the Secretarial Scholarship, the English Award, and the Athletic Award.

May 23

The Annual Banquet was held tonight in the dining room. The new editors, business manager, and advertising manager were announced. Probably the most exciting news was who made features.

May 25

Graduation week-end got its start today with the Horse Show in the afternoon and the Torchlight Ceremony tonight. The Torchlight Ceremony was truly impressive and made us Seniors feel the impact of what leaving V. I. in a few days is going to mean. The parents also started arriving today and it's fun showing them around.

May 26

What an array of beauties paraded today! Pat and her court plus Miss Spies' dance students made the 1950 May Day a gorgeous affair. The Commencement play, "Career Angel," was given tonight by the Drama Department, and the drama award was given to the best senior actress.

May 29

Graduation! Well, it's all over! After two years of living in heaven we must go back down to earth again. Farewell, V. I.!

## PROCLAMATION SONG, SENIORS '49-'50

As the bells chime the lifetime of each new day,
Our hearts know a love that is strong,
For the mem'ries that stem from the V. I. way
Will remain in our thoughts like a song.

To the chapel, the tow'r, and the campus scene
We lift up our voices to sing.
May the warm sun shine through, over all serene,
And may hope here eternally spring.

We pray, our V. I., may God keep you well
As the years roll swiftly by.
As long as stars burn bright in the sky,
We will ne'er forget V. I.,
We'll ne'er forget V. I.

Miss Ruth Ericson
Editor-in-Chief, "The Intermont"
VIRGINIA INTERMONT COLLEGE
Bristol, Virginia

Dear Miss Ericson:

It has been a great pleasure to select the beauties for your yearbook, "Intermont." The photographs of the candidates, which you submitted, were all so attractive that I found it difficult to make a decision. It was also difficult to make my selection without seeing and talking to each contestant.

The winners, marked on the photographs, were selected on the basis of personality, character, and intelligence, as well as for natural beauty. My choice was influenced, of course, by my great interest in and admiration for the Natural Girl.

If the contestants are ever in New York, it would be a pleasure to meet them. With best wishes to the contestants, to the staff of the "Intermont" and to the students of VIRGINIA INTERMONT COLLEGE, I am

Sincerely yours,

John Robert Powers
